Home Sweet Home In-Home Care Announces Acquisition of Ability In-Home Care

ST. JOSEPH, MI (May 25, 2016) Home Sweet Home In-Home Care, the leading home care agency in southwest Michigan, is pleased to announce the acquisition of another respected St. Joseph, Michigan senior care company, Ability In-Home Care. Under the terms of the acquisition, Ability In-Home Care will operate as Home Sweet Home In-Home Care moving forward.

Ability In-Home Care formerly was owned by Eric Stoub and Gil Logan, and has been providing exceptional home care, Alzheimer's and dementia care, and recuperative care to seniors and families in St. Joseph and throughout southwest Michigan. With decades of combined in-home care experience, the Home Sweet Home and Ability teams together will help local seniors realize a better quality of life in the comfort of home.

"We are excited to bring Ability In-Home Care into the Home Sweet Home In-Home Care family," said Eric Pumfery, CEO and Executive Director of Home Sweet Home In-Home Care. "This acquisition further enhances our ability to provide better and more comprehensive support to the seniors of our community as well as to their families."

About Home Sweet Home In-Home Care

Founded in 2011, Home Sweet Home In-Home Care is the premier home care agency in Southwest Michigan. Under the leadership of CEO/Executive Director Eric Pumfery and COO/Director of Care Operations Joseph Najacht, Home Sweet Home In-Home Care offers a wide range of home care services for seniors - including companion and personal care, Alzheimer's and dementia care, and safety and technology devices and services. All caregivers at Home Sweet Home In-Home Care are employees and have passed rigorous screening and background checks and receive ongoing training to ensure the best quality of care.
